

## LOG LEATHER

designed by Simone Cannolicchio & Matteo Manenti

Una sedia comoda dal disegno essenziale, dove la struttura in tondino d'acciaio disegna i profili e i volumi con un'armoniosa simmetria fra vuoti e pieni. Il sedile e lo schienale sono rivestiti in pelle rigenerata, disponibile in varie colorazioni.

Convenient chair with essential design, the rod forms the profiles and volumes with graceful symmetry between empty and filled spaces. Seat and back are upholstered in regenerated leather, available in various colours.
