

## RELAX LEATHER & FABRIC

designed by Robby Cantarutti & Francesca Petricich

La seduta, flessibile e sinuosa, fissata a sbalzo sulle gambe curve, conferisce alla sedia un aspetto aerodinamico. L'alto schienale la rende importante e ne perfeziona l'ergonomia. La scocca è realizzata in multistrato rivestito in pelle vera (cuoietto), in pelle rigenerata, Similpelle, lana, stoffa cliente. Il fusto è in acciaio, cromato o verniciato.

The seat, flexible and sinuous, fixed as a cantilever on the curved legs, gives the chair an aerodynamic appearance. The tall back gives importance to and perfects the ergonomics. The bodywork is made from plywood covered in genuine, regenerated or simulated leather, wool, or in the customer's own choice. The frame is in chromed or painted steel.
