

# SDRY CHAIR

designed by Paolo Lucidi & Luca Pevere

Il disegno riprende una forma classica rivisitata in chiave Design. È caratterizzata dagli elementi in policarbonato che formano sedile e schienale, disponibili in diversi brillanti colori. Ma sedile e schienale possono essere anche in legno multistrato di faggio o rovere, naturale o tinto. Struttura a slitta in tondino d'acciaio cromato. Impilabile.

The design takes on a traditional shape key design re-examined. It is characterized by polycarbonate parts that form the seat and back, available in several brilliant colours. They are also available in beech or oak plywood, natural or stained. The frame is in chromed steel rod. Stackable.
