

## TAMAGO CHAIR

designed by Robby Cantarutti & Francesca Petricich

Seduta avvolgente composta da sedile e schienale in multistrato di faggio o di rovere, naturale o verniciato, oppure rivestito in pelle rigenerata. La struttura è in acciaio cromato. Il tutto è impreziosito dalla staffa in pressofusione di alluminio lucidata che sostiene lo schienale.

A fascinating chair composed of a seat and back in beech or oak plywood, natural or stained, or covered in regenerated leather. The frame is in chrome-plated steel. The polished aluminium die-cast bracket that connects them embellishes all of it.
