

TRIA DUE

designed by Matthias Demacker

Tavolino interamente realizzato in metallo verniciato oppure con piano in laminato stratificato HPL (metodo ad alta pressione) o ALU (con anime di alluminio "annegate" prima della policondensazione).

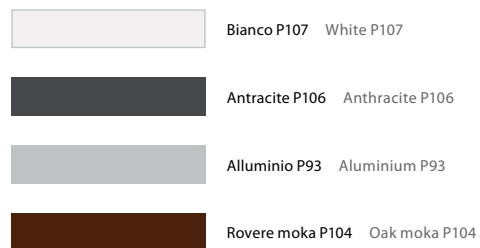

Solido e stabile, è adatto per stare all'esterno ma anche per arredare spazi chiusi. Disponibile in diversi colori e con 2 diverse misure del piano: ø60 o ø70 cm.

Small table made entirely from painted metal or with a top in stratified laminate HPL (by high pressure method) or ALU (with aluminium sheets inserted between its construction layers before poly-condensation).

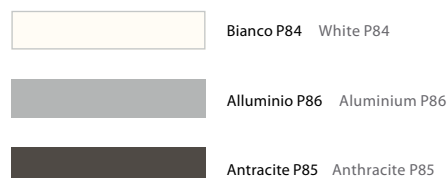

Solid and stable, it's suitable for outdoors but also to furnish enclosed spaces. Available in several colours and with 2 different measures of top: ø60 or ø70 cm.
