

VOILÀ Q60 4G

designed by Area Declic Design

Perfetto per tutte le esigenze. Tavolo a quattro gambe impilabile. Il piano è in laminato stratificato HPL (metodo ad alta pressione) o ALU (con anime di alluminio "annegate" prima della policondensazione). Disponibile in vari colori e abbinamenti di finiture.

Perfect for every requirement. This table with four legs is stackable. The top is in stratified laminate HPL (by high pressure method) or ALU (with aluminium sheets inserted between its construction layers before poly-condensation). Available in various colours and finishes.
